

The Super Bowl & the Chili Bowl are over but here it is the THIRD annual SHANE BOWL. Bowling was Shane’s off season sport of choice besides watching racing and football. This charity event is all in the name of Fun for Safety. The Shane Hammond Believe Foundation has been established to provide safety education & equipment to drivers old & new. There is no limit to the laughs that this event will bring. Bowling brings out the best and the worst in our athletic abilities.
